KORA (SPARK) SESSIONS

We have set aside two slots around lunch for some quick spark-sized presentations of our members work. We're aiming for visual and conceptual fuel. Presentations are to represent diversity of maori design practice, ignite conversation and ideas.

FORMAT:

Presenters show a slideshow of 20 images, each of which is shown for 20 seconds - giving a total presentation time of 6 minutes 40 seconds. Each "Kora" session has 4 presenters. So we have 8 spaces in total - we want to know more about what our members do.

If you want to be a Kora presenter at Nga Aho hui 2010, Rongopai, please send an email with the following information to: **desna@360.net.nz**
