TIHEI NGĀ AHO!

We celebrate and we rejoice in the rebirth and reincarnation of Matariki – ‘The eyes of God are upon us’ as we move forward from one epoch to the next. We reflect and ponder on things we have done in the past, take in a deep breath and build on them now for towards the future, in the process of renewal, transformation and rejuvenation.

We continue to celebrate Nga Ahotanga at every opportunity with pride, hope and optimism. Let us invest in ourselves and believe that Nga Aho and its people will meet every challenge, for every generation and for every era. Achieving excellence and superiority in all aspects of our lives. We look forward to new vitality, vivacity, creativity, innovation, energy and growth for Nga Aho.

KORA (SPARK) SESSIONS

→→ Ahi-kaa roa, keeping the creative fires burning.

We have set aside two slots for some quick spark-sized presentations of our members work. Presentations represent the diversity of maori design practice, ignite conversation and ideas. This is your space to get involved!

Be it your design mahi, an exhibition, a review of recent boil-ups, just something you've been thinking about lately... the floor is yours.

FORMAT:

Presenters show a slideshow of 20 images, each of which is shown for 20 seconds - giving a total presentation time of 6 minutes 40 seconds. Each kora session has 6 presenters, followed by open discussion and questions. So we have 12 spaces in total - we want to know more about what our members do, what they think and what everyone else thinks about it.

If you want to be a KORA presenter at NGA AHO AGM 2012, Opatia-o-Hinekiri Pa, please send an email with the following information to: desna@dwscreative.co.nz

- Name
- Job / company / theme
